## PACKAGES DESCRIPTION

---

Choosing which wedding video and photographer package suits you best can be tricky, especially when looking so at many different wedding videographers and photographers. so we've given you 3 basic choices to try and simplify things. All of wedding film packages include both a short highlights trailer as well as a full feature film of your day which will include the ceremony, speeches and first dance all in full plus all the amazing bits in between set to a backing sound track of your choice. Our films are then delivered on HD USB so you are free to make copies and we can even upload your highlights to our dropbox account for your to share with your friends online. If the packages below do not fit with your plans and you would like a more personal quote for your wedding or event then please get in touch. Add photography or videographer to any Full Day or 1 Camera Video or photography package for just R 4,000 extra
